SPITALFIELDS BBQ PACKAGE

A QUINTESSENTIALLY BRITISH SUMMERTIME BBQ

Commissioned in the early 18th century; Hawksmoor's breathtaking masterpiece is a celebrated historic building and a truly inspiring venue to celebrate your summer event.

As a central part of the church, the magnificent Nave is a versatile event space that exudes grandeur with clerestory windows allowing an abundance of natural daylight. Beneath the Nave, the Crypt Hall is the ideal breakout space or location for a post event evening reception.

Our chefs have created a quintessentially British summertime menu including sticky glazed BBQ chicken and Hot dogs with pulled pork, plus you couldn't celebrate summer without strawberries and Devon cream.
